

# DUTCH HUNTINGTON SYMPOSIUM

## Call for abstracts

Please send your abstracts to [g.noppert@umcg.nl](mailto:g.noppert@umcg.nl)

Twelve abstracts (six basic scientific research and six clinical scientific research) will be selected for oral presentations, based on scientific quality and relevance. Other abstracts will be invited to be presented as a poster. The best clinical and basic research poster will both receive an award.

The abstracts should consist a title, authors and affiliations, contact address of the presenting author, introduction, materials and methods, results and a conclusion. The word limit is 300 words.

The deadline for abstract submission is **1<sup>st</sup> of October 2019**.
