PacBio Day
Join us for an afternoon of SMRT® Science in Groningen

Learn how the new Sequel® II System delivers highly accurate long reads while reducing project costs and timelines with ~8x more data

Tuesday, October 8th, 2019
12:00 – 17:00

European Research Institute for the Biology of Ageing (ERIBA)
University Medical Center Groningen
ERIBA Seminar Room (3226-3.14)
Antonius Deusinglaan 1, 9713 AV Groningen, The Netherlands

Agenda:

12:00 – 13:00 Registration and lunch
13:00 – 13:15 Welcome introduction
13:15 – 16:45 Scientific talks (see detailed agenda)
16:45 – 17:00 Closing remarks

Lunch will be provided, registration is required.

PacBio Day
Groningen, October 8th, 2019

Agenda

12:00 – 13:00 Registration and lunch

13:00 – 13:15 Welcome and introduction
Diana Spierings, ERIBA

John Baeten, PacBio

13:45 – 14:15 SMRT clinical research
Marcel Nelen, Radboud University Medical Center, Nijmegen

14:15 – 14:45 Biomarkers for colorectal cancer
Remond Fijneman, The Netherlands Cancer Institute

14:45 – 15:15 Coffee Break

15:15 – 15:45 Using long-read sequencing to solve the curious case of pharmacogenetics
Maaike van der Lee, Leiden University Medical Center

15:45 – 16:15 From microbes and microbiomes: PacBio long-read sequencing at DSMZ since 2012
Boyke Bunk, Leibniz Institute DSMZ-German Collection of Microorganisms and Cell Cultures GmbH

16:15 – 16:45 PacBio HiFi long reads for metagenomic discoveries
Ralph Vogelsang, PacBio

16:45 – 17:00 Closing remarks
